

That 401(k) National Virtual Conference **Thursday-Friday, January 29-30, 2026, 11 am - 5pm**

2026 is still Virtual

We find that a virtual format for a national event is easier to manage, attend, and hold. We continue with the virtual tradition on January 29-30, 2026.

Virtual, but the same experience, except for food

We will have a plenty of great content for 401(k) plan providers, just no food (again, sorry).

No breakout rooms.

Whether you attend or sponsor, there is just one Zoom room to attend. If you sponsor, you get the full audience and not at the mercy of the other competing breakout sessions. If you attend, we guarantee that the speakers and topics will be unique from the other national events.

More than 100 Plan Providers in Attendance:

A virtual event is less expensive and people don't have to travel to attend. In addition, each day's event will be posted on YouTube for future viewing for those that can't make the event.

The Bottom Line on Sponsorships:

\$500 to be a Silver Level sponsor and provide a 2-3 minute presentation on your firm's services at the introduction of the event on January 30th.

\$1,500 to be a Gold Level sponsor and provide a 25-30 minute presentation (subject to approval to avoid redundancy of topics).

Each sponsorship comes with 10 passes, so you can invite your best provider partners. You will also get 5 passes for your staff to attend.

All sponsors get promotion for their sponsorship online at that401ksite.com

Sponsorship is free if you commit to a comparable level for a live event in 2026. We are planning 2-3 live editions in 2026.
